Declaration/Undertaking from applicant/Customer/Company

I/We hereby declare and confirm that

1. The Company has taken telecom services (Internet connectivity and/or voice connectivity) for its internal purpose and is not performing any activities defined under the scope of Other Service Provider (OSP) / Internet Service Provider (ISP) / Telemarketer (TM). Therefore, the Company is not required to be registered with the Department of Telecommunications (DOT)/ Telecom Regulatory Authority of India (TRAI)/ Telecom Service Providers (TSPs) either as OSP / ISP / TM. The Company undertakes that in the event it is performing any activities defined under the scope of OSP / ISP / TM, it will get registered itself with the designated authorities and immediately provide all the required registration / license details to Reliance Jio Infocomm Limited (RJIL), as prescribed in the above inspection report. RJIL reserves the rights to review connectivity provided to the Company and inspect the network of the Company, in case of such intimation.
2. The Company undertakes to ensure no misuse of ILL connectivity terminating on its premises and undertakes to deploy logical partitioning to ensure separate flow of Data and Voice services and for preventing the flow of traffic between public and private network operated through single EPABX.
3. The Company undertakes to ensure that, at all times, there is no misuse/unauthorized use of the voice/data connectivity provided to it in any manner including but not limited to bypass of National and International Long Distance Traffic.
4. The Company is using the connection as per attached network diagram for bonafide usage and for the purpose declared by it at the time of subscribing to these connections and in case of data connections, these connections are not interconnected with any PSTN, PLMN, GMPCS network. The Company understands that RJIL can verify and approve its network diagram only in case the Company has shared its OSP details to RJIL, otherwise RJIL has no obligations whatsoever in this regard.
5. The Company agrees to permit the authorized representatives of RJIL and of the Licensor (i.e. Government of India acting through any of its agency/ies) as well as security agencies to inspect, at any time and from time to time, with or without prior notice as they may deem fit, our network interface and EPABX equipment.
6. The Company shall be exclusively responsible for any breach of any conditions included in this Undertaking and/or any act/omission pertaining to EPABX/Public or Private Network Operations, which is directly attributable to it and the Company will bear all costs and consequences arising out of such breach/act/omission.
7. The company has intimated to the Licensor (Copy to respective TERM Cell) in a quarterly report the details of ISP nodes or points of presence with their locations and number of broadband/leased/dialup subscriber. (only in case of ISP customer)
8. The Company has given to the Licensor one month prior notice (Copy to respective term Cell) as required as per terms and condition of ISP License agreement in case new nodes to be installed. (only in case of ISP customer)
